- If you select Copy / Modify Previous Report Form from the Electronic Contribution page, you will be able to reuse electronic contribution data previously input into the system for the current month you are now entering. This option will auto-populate the same Employees (with SSN & names) as were previously used by you for the selected CBA. This can be beneficial when you consistently report on the same employees each pay period.
 1. Select a Work Start Date and Work End Date. If you are a monthly contractor, please use the first day and the last day of the month. If you are a weekly contractor, please use the payroll start and end dates.
 2. From the Invoice Number drop down list, select the Invoice you would like to copy.
 3. Check the box in the bottom left of the screen to zero out any information from the copied data. This will keep the same employees but zero out their form details so you can enter the correct amounts for this pay period.
 4. Click the Submit button.
 5. The rest of the process is the same as entering a new contribution form (refer to instructions above).
